If you do not have an x-ray, please contact us and we can help you coordinate getting an x-ray prior to class	___ Yes I have an x-ray and will be bringing it to class ___ No I do not have an x-ray and need assistance in coordinating an x-ray prior to class

Payment for course will be remitted by _____ <div style="text-align: center;">(name of person or institution)</div>

I understand that my final acceptance into this L1 course is contingent upon me completing the online BASE Course (including passing the online examination) prior to attending this L1 Course. The Online BASE Course is available at www.bspts.net. NOTE: You may REGISTER for L1 course prior to completing the Online BASE Course but you must COMPLETE AND PASS the Online BASE Course prior to the start of the L1 course. Failure to do so will result in cancellation of your L1 course attendance (see cancellation policy below).

I understand there will be a written exam at the end of Level 1. At the end of Level 1 you will get information about how to prepare a Case Report Paper and Presentation to get access to Level 2.

I understand that the L1 course is the first of a 3-part course program through BSPTS. Advancement to subsequent courses is contingent on passing competency evaluations. The maximum number of trials for passing the competency evaluation is three. If not passing after 3 trials, it will be obligatory to repeat the previous level course (offered at 50% cost reduction). Only two repetitions of each course level are permitted.

The minimum time to finish BSPTS certification from Level 1-3 will be **21 months**. Minimum time between Level 1 -2 is 9 months, and from level 2 -3 is one year. The maximum time to finish BSPTS certification from level 1-3 will be **six years**. In the event a student does not finish the 3-level certification program in six years, it would be necessary to restart the course series.

Full course information can be found at www.bspts.net

I understand that BSPTS L1 training is primarily intended for use in 1:1 individual physical therapy treatment of patients with Adolescent Idiopathic Scoliosis (AIS). It may be applied with limitations for patients with other scoliosis such as neuromuscular scoliosis. It is recommended that students complete L2 training prior to treating adult painful degenerative scoliosis, or prior to offering group or immersion type therapy. The completion of the full 3-part program is recommended for optimum competency in treating scoliosis.

I agree that I will not use the L1 material to train other physical therapists in treating scoliosis.

I agree to sign the BSPTS Ethics of Practice Agreement upon completion of the L1 course.

I agree to the course cancellation policy below.

Course Cancellation Policy:

1. If registrant cancels with less than 30 days notice (including failure to complete BASE Course):
 - If cancelled spot is filled with another attendee, a refund will be issued, less 10% service charge
 - If cancelled spot is not filled, there will be *no refund of course fees*.
2. If registrant cancels with more than 30 days notice (including failure to complete BASE Course):
 - Refund will be issued, less 10% service charge
3. We reserve right to cancel the course at any time due to low attendance or other conflicts.
 - Should the course be cancelled by instructors, full refunds will be issued.
 - Should an unavoidable course interruption occur, arrangements will be made for course completion at a later time.

Applicant Name

Applicant Signature

Date

CEUs: 48

(CEU's are approved in the state in which the course is taught. CEU approval for state in which the student resides/practices is the responsibility of the student)
